1 and 2	To continue to provide high quality equipment and playing areas for PE lessons and sports clubs.	Mr Stoker and Mr Graham complete an audit of the equipment. Purchase new equipment. Pitches/tracks marked out.	Initial budget of £5000	Big improvement in equipment leading to better quality lessons and more pupil engagement. Smaller budget needed next year due to improved equipment.
1, 2 and 4	To provide children throughout the school with the extra-curricular opportunities to take part in sports activities.	Mr Graham to deliver five sports clubs (a variety throughout the year) a week between 3:30 and 4:30.	Initial budget of £2700	Some very well-attended (50-70 children per week) clubs giving the opportunity for children to participate in more sport. Covid prevented the clubs from being all year.
1, 2 and 4	To raise the profile of sport and the importance of healthy living throughout the school via Fun and Fitness Week.	To dedicate one week to promote positive physical and mental health of our children . When evaluating the year, a large proportion of children mention Fun and Fitness week as a highlight.

Partly due to improved equipment and partly due to more space because of children having break in their year group bubbles.
1	To allow children to take part in Forest Schools activities in order to experience ways of being active outdoors other than when playing sport.	Children have regular Forest Schools lessons Spend money on resources	Initial budget of £200	N/A due to Covid restrictions.
