Here is a list of things you'll need for your stay at Seahouses. Don't bring too much as you will have to carry your own bag and take care of your own belongings. Also – you are just staying for one night! Please remember that things can get lost so don't bring anything that's expensive or you really treasure.

As you pack your bag at home, tick off each item that you put in and then do the same when you leave the castle to go home.
