

Lanchester E.P. (Controlled) Primary School

Action plan for allocation of Sports Premium Funding 2022-23 (£19,330)

Following the implementation of this action plan, it is expected that schools will see a sustainable improvement against five key indicators:

1. The engagement of all pupils in regular physical activities
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased knowledge, confidence and skills of all staff in teaching PE and sport
4. A broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Improvement indicator	Objective	Action	Cost	Review
1, 3 and 5	<p>To provide a range of high-quality PE lessons.</p> <p>To up-skill teachers in order to make this action sustainable.</p> <p>To improve links with local clubs in a range of sports.</p>	<p>Specialist coaches deliver half-term blocks of lessons in Rugby, Gymnastics, Netball, Basketball, Tennis and Cricket.</p> <p>Teachers to learn from coaches.</p> <p>Specialist coaches promote their local club.</p>	<p>Initial budget of £5000</p> <p>Consett or Newcastle Falcons Rugby Club</p> <p>All Stars Cricket</p> <p>Netball Coach</p> <p>Deerness Gymnastics</p> <p>Tennis</p> <p>Basketball</p> <p>Dance</p>	<p>Teachers feel more confident delivering six week blocks of certain topics and have mentioned that they have a better understanding of the progression of skills throughout the topic.</p> <p>The feedback from staff and children was positive and specialist coaches enhanced the delivery of topics across different year groups.</p> <p>Links with local clubs have been maintained and strengthened. Next year, we should look to expand the range sports that we have specialist coaches for in order to develop further links and train teachers in different areas.</p>
1, 2, 4 and 5	<p>To provide children with the opportunities to represent our school in Schools Games competitions and festivals.</p>	<p>Create and agree to a customized schedule of inter-school competitions and festivals with Stanley Schools Sports Partnership.</p>	<p>Stanley Schools Sports Partnership (school specific option agreed with SSSP) - £1000</p> <p>Other competitions - £200</p> <p>Travel - £1000</p> <p>Cover to allow staff to attend events - £1900</p>	<p>The customised school specific SSP plan has worked brilliantly this year compared to last. We have had record numbers of children representing the school in inter-school competitions.</p> <p>Travel costs far exceeded the £1000 allocated. We will amend this next year.</p>

Improvement indicator	Objective	Action	Cost	Review
1 and 2	To continue to provide high quality equipment and playing areas for PE lessons and sports clubs.	Mr Stoker and Mr Graham complete an audit of the equipment. Purchase new equipment. Pitches/tracks marked out.	Initial budget of £4730	New equipment has added to the levels of engagement and attainment, especially in gymnastics. Participation across all topics has been enhanced further with the quantity of equipment available. Equipment, such as wooden hockey sticks, have added an extra element of challenge for the UKS2 children and help make them more 'secondary school ready'.
1, 2 and 4	To provide children throughout the school with the extra-curricular opportunities to take part in sports activities.	Mr Graham to deliver three sports clubs (a variety throughout the year) a week between 3:15 and 4:15.	Initial budget of £1800 LG wages	Record numbers of children attending sports after-school clubs from Years 1-6. Increased participation adds to the provision for sport across the school. Could we offer after-school clubs each day next year?
1, 2 and 4	To raise the profile of sport and the importance of healthy living throughout the school via Fun and Fitness Week.	To dedicate one week to promote positive physical and mental health of our children . External providers and internal staff to provide a range of different sporting activities within an inclusive environment.	Initial budget of £2200 For external providers.	As always, Fun and Fitness week was a massive success and a highlight of the academic calendar. Children experienced a wide range of activities and developed their fitness levels, confidence, skills and hopefully a love of being active. Classroom lessons have led to improved knowledge of the importance of exercise.
1 and 4	To increase the number of children who are active at lunchtime and playtimes.	To consult children about games and activities they would like. Purchase of new playground games equipment.	Initial budget of £400	Good equipment and good opportunities for children during break time but this is an area that can be improved next year. Children need more guidance on playground games and use of equipment during break times.
1	To allow children to take part in Forest Schools activities in order to experience ways of being active outdoors other than when playing sport.	Children have regular Forest Schools lessons Spend money on extra resources	Initial budget of £200	Children continue to enjoy being active in the woodland area throughout the year in their Forest Schools lessons.
1, 2, 4 and 5	To allow children to represent their house teams in competitive intra-school games (including Sports Day).	Mr Graham and Mr Stoker organise and supervise house games.	Initial budget of £900 Cover for AS and LG.	Sports days, rounders and dodgeball were very successful once again. We also added a cross-country house competition which was a resounding success. These competitions will be continued next year and we will look to add another event to our intra-school games provision.
