## **Year 4 History Walk of Consett** **Tuesday 30<sup>th</sup> April 2024**

This term, we have been working on 'Mighty Metals' for our topic in Year 4. In order to enhance our learning, we will be going on a tour with a local historian around Consett, to gather more information about the Consett Steelworks and how important this was for our local area. This will include a walk through Consett Park. Children will be finding out information and taking photographs to gain a range of information to support our classroom work.

Please read the information in the table below about what children will need on the day.
