Signing up for clubs on Arbor

All clubs will need to be signed up for on Arbor. You will be able to sign your child up for activity clubs on Arbor by logging onto your account and going onto their profile, and clicking into 'clubs'.

Once you click on here you will be able to see what clubs your child is eligible to be signed up for, and register them for the club.

Please note, if a club is oversubscribed, some children will be removed from the club following the allocation criteria set out below, so please check the day before the club starts to see if your child is still registered for the club – if so, they have a place. If your child does not get a place on the club of their choice this half term, they will be given priority next half term.

Club Place Allocation

Some clubs have a limited number of spaces. If more children apply for a place than we can accommodate, then names will be chosen in the following way: First priority will be given to pupils entitled to Pupil Premium & those with SEN; if there are still spaces to fill, names will be picked using a random number generator.

Clubs for existing members only will not be available to sign up to as these are already full and places will be offered to those on the waiting list for these clubs in case of any children dropping out.

Club Finishing Times & Collection Arrangements

Pupils must be collected promptly at 4.15pm, unless they are in Year 5 & 6 and have permission to leave school unaccompanied.

If they are not collected on time they will be placed into after school club and you will be charged for the shorter session (£5.00).

Clubs will be dismissed from the Main Entrance on the top yard at 4.15pm.
