

# Year 4 Multiplication Check

---

Information Session

# Gov.uk

---

- The multiplication tables check (MTC) is statutory for all year 4 pupils registered at state-funded maintained schools, special schools or academies, including free schools, in England.
- The purpose of the MTC is to determine whether pupils can recall their times tables fluently, which is essential for future success in mathematics. It will help schools to identify pupils who have not yet mastered their times tables, so that additional support can be provided.

# Why are times tables so important?

<div>Number</div> <div>Place value</div> <div>VIEW</div>	<div>Number</div> <div>Addition, subtraction, multiplication and division</div> <div>VIEW</div>	<div>Number</div> <div>Fractions A</div> <div>VIEW</div>	<div>Number</div> <div>Fractions B</div> <div>VIEW</div>	<div>Measurement</div> <div>Converting units</div> <div>VIEW</div>	
<div>Number</div> <div>Ratio</div> <div>VIEW</div>	<div>Number</div> <div>Algebra</div> <div>VIEW</div>	<div>Number</div> <div>Decimals</div> <div>VIEW</div>	<div>Number</div> <div>Fractions, decimals and percentages</div> <div>VIEW</div>	<div>Measurement</div> <div>Area, perimeter and volume</div> <div>VIEW</div>	<div>Statistics</div> <div>VIEW</div>

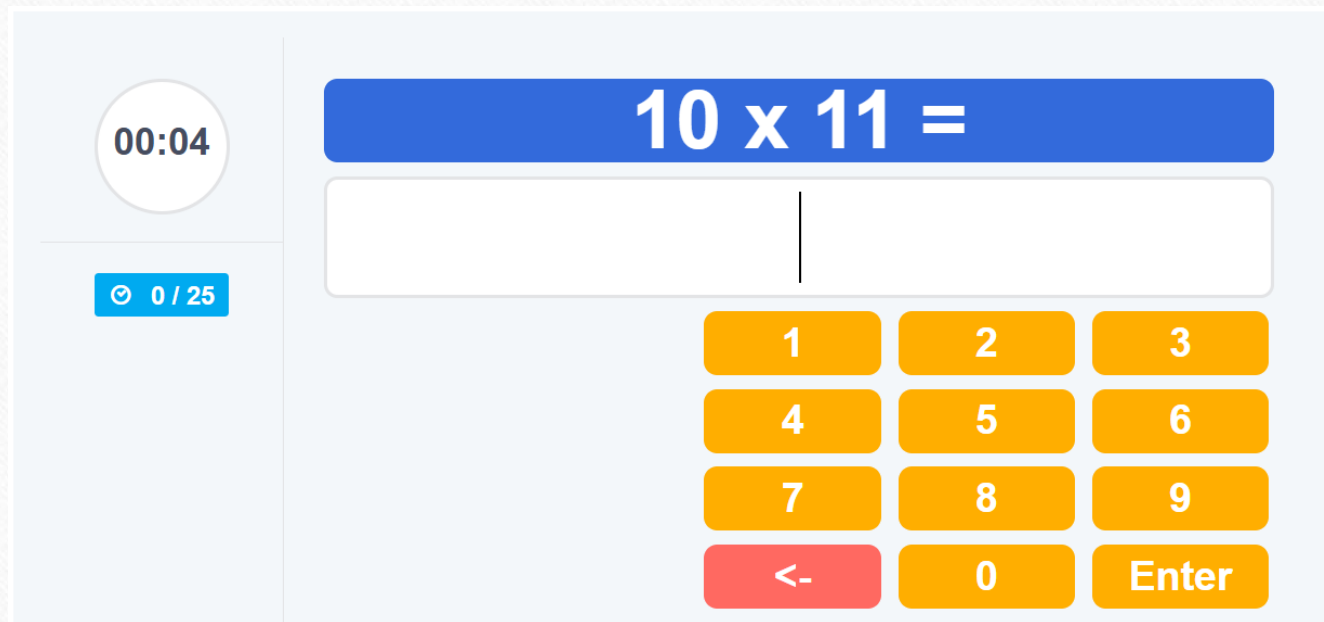

# MTC Structure

---

- 25 questions
- 6 seconds to answer each question
- Test does not follow any pattern. The questions are random.
- We'll conduct the test using an iPad.
- Children will complete this test away from their class in a quiet room.
- Week Beginning Monday 2nd June - Year 4 Times Tables Multiplication Check

# How can you support your child?

- [www.timestables.co.uk](http://www.timestables.co.uk)

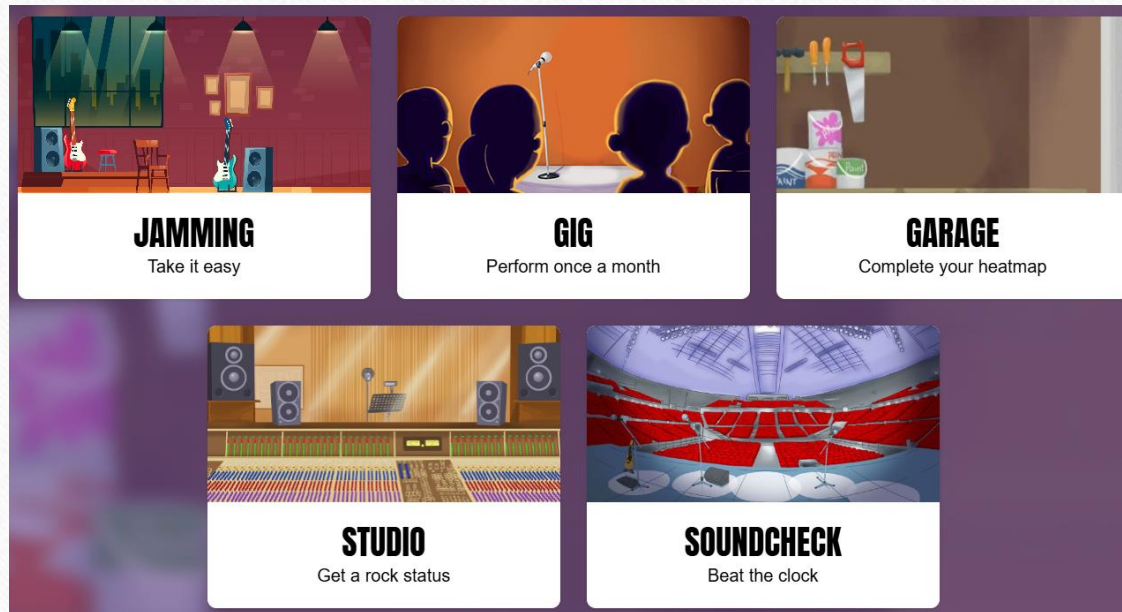

The screenshot shows the Timestables website interface. On the left, there is a circular timer displaying '00:04' and a blue button with a clock icon and '0 / 25'. The main area features a blue header with the multiplication problem '10 x 11 ='. Below this is a white input field with a vertical cursor. To the right of the input field is a numeric keypad with buttons for digits 1-9, 0, a red '<-' button, and an 'Enter' button.

This is the mock multiplication test we have been doing every morning since January.

# How can you support your child?

- Times Tables Rock Stars

The soundcheck option is another good mode to play which mimics the MTC.

# How can you support your child?

---

- Reciting times tables by making a game out of it.
  - Catching games.
  - Saying your tables as you go up/ downstairs.
  - Writing them out
  - Working on your weakest table!
- Make sure when your child is accessing TTRS that they're not just selecting their easiest table.

# Any Questions?
