

# Welcome to Nursery 2025-26

# Welcome to Nursery

## Staffing

**Teacher: Miss Butler**

**Teaching Assistants: Mrs Moralee, Miss  
Tilney, Mrs Gittins, Miss Oksana, Miss  
Lawler**

# Welcome to Nursery

## This half term...

We will be settling in to our new routines, learning how to use each area in Nursery and how to get along with the people around us.

We have daily group times, lots of singing and stories and, most importantly, lots of time to learn through play!

During the school day, adults will play alongside your child, assessing their understanding and planning for the experiences they need to move them on in their learning.

# Welcome to Nursery

## A typical session in Nursery

8:45 Doors open, indoor play begins  
9:00 Doors locked  
9:20 Hello Time  
9:30 Outdoor Play  
10:30 Indoor play  
11:00 Tidy up/Story Time  
11:25 Lunch/snack time  
11:45 End of session (doors open 11:40  
for collection)

# What does my child need?

- A pair of wellies to keep in school
- A drawstring bag (no backpacks, please - they don't fit on our coat pegs) with spare clothes, including socks
- A coat with a loop for hanging - tie a piece of string through the loop to make hanging up coats easier for your child
  - Names clearly marked on EVERYTHING!
- A named water bottle if wanted (water ONLY)

# Toilet training

Most children starting Nursery are toilet trained but we still expect lots of accidents in the early days as they get used to new routines. We have spare clothes but it helps if children also have their own spare clothes available. Please check your child's bag daily and replenish as necessary.

If your child still needs support with toilet training, we will talk this through with you and put together a plan to support your child to succeed.

If your child is in nappies/pull ups, you must provide spare nappies, wipes and nappy bags in your child's spare clothes bag. Please keep these stocked up.

Further help and advice can be found here:

# Welcome to Nursery

## Evidence Me

We use Evidence Me to record 'wow' moments in the children's learning and as evidence for the staff to support our assessments. Sometimes it is used to share activities you could do at home, or to share experiences your child has had in school which they might like to talk to you about. Please do not expect us to post something about your child every week. We prioritise spending time interacting with your child and teaching them over recording evidence!

Evidence Me can also be used by you to let us know about any 'wow' moments at home. We love to share the children's achievements and it helps us to know them even better.

# Welcome to Nursery

## Uniform

Children in Nursery need to be comfortable and able to move freely. Leggings/joggers are advised.

Children need named wellies in school - we will send them home at the end of each term to be checked and replaced if necessary.

Please name everything clearly. We already have piles of unclaimed unnamed uniform! Shoes are especially difficult to match to the right child if they are not named.

Please supply a change of clothes for your child in case of accidents/spills. Your child will get dirty clothes in school. It shows they are having fun! Don't forget to include plenty of socks - we are always running out of spares!

# Welcome to Nursery

## Lunchtimes

Please ensure that you have submitted your child's lunch choices on Arbor.

It is helpful if you can tell them what they will be having for lunch each day to help prepare them.

Staff are with your child when they eat, encouraging them and supporting their table skills. You can help by encouraging them to use a knife and fork at home.

We will let you know if your child is struggling at lunch times. You may need to amend your menu choices over the course of the year.

If your child has a packed lunch, please remember that sweets/chocolates are not allowed in school. Teach them how to open bags/boxes in advance to help their independence.

# Welcome to Nursery

## Medication/absence

Medication should be handed in to the office. We can only give prescribed medication in school.

All absences must be reported to the office as soon as possible - any requests for absence need to be submitted to Mrs Davis.

If your child is ill, they should not attend school.

If your child has had diarrhoea or vomiting, they must be clear of it for 48 hours before returning to school.

# Welcome to Nursery

## Contacting us

For any issues, please speak to a member of staff either on the gate or by email:

[s.butler@lanchesterep.net](mailto:s.butler@lanchesterep.net)

You can make an appointment to speak to your child's teacher in person or by telephone if you need a longer discussion.

Parent Evenings will be held at the end of this half-term to update on your child's progress.

Communication is key - please ask if you have any worries or concerns. We want your child to be safe, happy and learning - just as you do!

Thank you for coming!
