Friday 28<sup>th</sup> November 2025

Dear Parents and Carers,

We hope your children enjoyed their long weekend – it is always very welcome with the long, dark days closing in. But, with just three weeks of the term left, we are all well into the swing of preparations for the festive season.

It was lovely seeing so many of you last week at the Christmas Lights Switch On – it is always such a wonderfully festive celebration. I am sure you will also agree that the decorated windows from our Art Leaders in Hanley & Sons have been a great success! I am also delighted to tell you that the Year 5 girls who made bracelets for Henry Dancer Days made over £240 which is just terrific! Well done to them all for that. We have our Enterprise Week in school next week – a great time when our children make Christmas gifts to sell at the Christmas Fair. It is also fun for them all to see how much profit each year group can make – with some quiet competition amongst the staff too, of course!

Our Christmas Fair takes place on Friday from 3.30pm to 5.30pm. It is based in the Junior Hall and some of the classrooms just off the hall. We are also looking forward to a visit from Santa Claus as well who has promised us that he will spare a couple of hours out of his busy schedule just for our children. Thank you all for your very generous donations today too – we really appreciate your support.

### **Winter Household Fund Vouchers**

The winter household fund vouchers have been sent from the school office to all eligible families this week via the primary email address we hold on file. Please check your junk/spam mail if you have not received a voucher to your inbox. If you have not received your voucher, please contact the school office no later than **Friday 5<sup>th</sup> December** so that this can be followed up before we break up for Christmas. Please remember, vouchers must be redeemed within three months or by the expiry date on the voucher.

### **This Week's Big Question**

This week's Big Question has been, **'What is the most beautiful thing in your life?'** What a question to ask a child! Once again, we have had some very interesting and thoughtful discussions – please ask your child this when you see them. You will be very surprised with what they say!

### **Safeguarding**

Keeping children safe from harm is our number one priority. We will always act upon any concerns individuals have, or any disclosures from children. However, if you have any concerns outside of school, or if you have a concern about a child or young person's welfare, it is essential that you call First Contact on: 03000 267979.
