

## Lanchester E.P. (Controlled) Primary School

### Action plan for allocation of Sports Premium Funding 2021-22 (£19,340)

Following the implementation of this action plan, it is expected that schools will see a sustainable improvement against five key indicators:

1. The engagement of all pupils in regular physical activities
2. The profile of PE and sport being raised across the school as a tool for whole school improvement
3. Increased knowledge, confidence and skills of all staff in teaching PE and sport
4. A broader experience of a range of sports and activities offered to all pupils
5. Increased participation in competitive sport

Improvement indicator	Objective	Action	Cost	Review
1, 3 and 5	<p>To provide a range of high-quality PE lessons.</p> <p>To up-skill teachers in order to make this action sustainable.</p> <p>To improve links with local clubs in a range of sports.</p>	<p>Specialist coaches deliver half-term blocks of lessons in Rugby, Gymnastics, Netball, Basketball, Tennis and Cricket.</p> <p>Teachers to learn from coaches.</p> <p>Specialist coaches promote their local club.</p>	<p>Initial budget of <b>£4500</b></p> <p>Consett Rugby Club</p> <p>All Stars Cricket</p> <p>Netball Coach</p> <p>Deerness Gymnastics</p> <p>Tennis</p> <p>Basketball</p>	<p>Teachers feel more confident delivering six week blocks of certain topics and have mentioned that they have a better understanding of the progression of skills throughout the topic.</p> <p>We added a specialist dance teacher to our provision due to feedback from teachers about the teaching of dance being an area for development.</p> <p>Links with local clubs (e.g. Lanchester Cricket Club and Cinders Netball Club) have been strengthened and increased numbers of children participate in organised sport outside of school.</p>
1, 2, 4 and 5	<p>To provide children with the opportunities to represent our school in Schools Games competitions and festivals.</p>	<p>Subscribe to Stanley Schools Sports Partnership.</p> <p>Seek extra competitions from other local organisations.</p>	<p>Stanley Schools Sports Partnership (Option 2) - <b>£800</b></p> <p>Other competitions - <b>£200</b></p> <p>Travel - <b>£500</b></p> <p>Cover to allow staff to attend events - <b>£500</b></p>	<p>We actually changed from Option 2 to Option 1 (£800 to £200) as we didn't feel we would get value for money. However, next year we will meet with our SSP and discuss the possibility of increasing participation to give more children a chance to compete for our school across a wider range of sports.</p> <p>Over one hundred children represented the school in competitions or festivals throughout the year.</p>

Improvement indicator	Objective	Action	Cost	Review
1 and 2	To continue to provide high quality equipment and playing areas for PE lessons and sports clubs.	Mr Stoker and Mr Graham complete an audit of the equipment.  Purchase new equipment.  Pitches/tracks marked out.	Initial budget of <b>£4000</b>	New equipment was ordered every term to keep improving the quality of resources in order to improve the quality of PE provision across all topics. Children have benefitted from not having to share equipment as often and have been enjoying new and exciting equipment. Next year we will aim to improve the gymnastics equipment.
1, 2 and 4	To provide children throughout the school with the extra-curricular opportunities to take part in sports activities.	Mr Graham to deliver five sports clubs (a variety throughout the year) a week between 3:30 and 4:30.	Initial budget of <b>£2500</b>  LG wages	There has been an increase in the number of children attending active after-school clubs.
1, 2 and 4	To raise the profile of sport and the importance of healthy living throughout the school via Fun and Fitness Week.	To dedicate one week to promote positive physical and mental health of our children .  External providers and internal staff to provide a range of different sporting activities within an inclusive environment.	Initial budget of <b>£2200</b>  For external providers.	Fun and Fitness week was a massive success once again. Many children comment on this being their favourite week of the year. Children experienced a wide range of activities and developed their fitness levels, confidence, skills and hopefully a love of being active. Next year, we will look to include activities in the classroom to improve children’s knowledge and understanding of how remaining active is important for a healthy lifestyle. We will also look to use the fitness trackers during this week.
1 and 4	To increase the number of children who are active at lunchtime and playtimes.	To consult children about games and activities they would like.  Purchase of new playground games equipment.	Initial budget of <b>£400</b>	We purchased two new sets of football goals so we could make the most of the school field and give each year group a space to play football if they would like to. New specific playground equipment was purchased (e.g. skipping ropes, a range of soft balls, hoops etc.).
1	To allow children to take part in Forest Schools activities in order to experience ways of being active outdoors other than when playing sport.	Children have regular Forest Schools lessons  Spend money on extra resources	Initial budget of <b>£240</b>	Children enjoy being active in the woodland area throughout the year. Extra money was spent on making the area more accessible and useable for greater numbers of children.
1, 2, 4 and 5	To allow children to represent their house teams in competitive intra-school games (including Sports Day).	Mr Graham and Mr Stoker organise and supervise house games.	Initial budget of <b>£1000</b>  Cover for AS and LG.	The new house competitions introduced (dodgeball and rounders) were a great success that allowed every child to participate in competitive sport. Sports day was fantastic once again.
1	To give extra support, in the form of small group interventions, to children that require it.	Mr Graham highlights those pupils that would benefit from PE interventions to improve, for example, gross motor skills or running technique/gait.	Initial budget of <b>£2500</b>  LG wages.	We carried out interventions for a half-term but this ceased due to availability of staff and parents not wanting children to miss learning in other areas.
