A Caring Community Where All Can Flourish

*'Through God's love, we are the rich soil

Governing Body Committee Members 2023 - 2024

The Governing Body uses committees to manage the workload, by delegating tasks to smaller groups of governors.

Keep in mind that the Governing Body as a whole is still responsible for all of its duties, delegated or not. Committees are responsible for keeping the rest of the board in the loop on their delegated areas of responsibility.
